

Lenzie Tennis Club (SCIO) Health & Safety Policy

Scope:

This document contains the guidance and procedures that Lenzie Tennis Club has introduced to meet the requirements of the Health & Safety at Work Act 1974. It contains:

- **The organisation for Health & Safety Management**
- **Risk Assessment Policy**
- **Lenzie Tennis Club's Health and Policy Statement (Appendix 1)**

Guidance for dealing with Emergencies and on First Aid is set out in the Club's Accident and Emergency Guidance Information document.

Organisation for Health & Safety Management:

Lenzie Tennis Club recognises its obligation to members and visitors to manage the health and safety risks arising from its various activities. The ultimate responsibility for health and safety lies with the Management Committee. The President is responsible for the preparation/review of Risk Assessments. The person designated as the Health & Safety Officer is the President/Property Convenor, the logic being this person is known to be the point of contact with repairs/issues with club property.

Related Health & Safety Policies and Procedures are provided online at www.lenzietennis.org.uk and will also be provided in a Policy Folder available within the Clubhouse. Included will be:

- **Lenzie Tennis Club Health & Safety Policy and Guidance**
- **Lenzie Tennis Club Accident and Emergency Guidance document and reporting form**
- **Lenzie Tennis Club Use of Changing Rooms Policy**
- **Lenzie Tennis Club Unsupervised Children Policy**
- **A Code of Practice for Members which sets out the standards by which the club will expect members, their guests and members of the public to adhere to**
- **Any other appropriate document or procedure**

Risk Assessment Policy:

Lenzie Tennis Club will carry out an annual risk assessment of its facilities to consider potential hazards and take the appropriate action wherever necessary to ensure a safe and enjoyable environment for its members and visitors.

The President/Property Convenor is responsible for reporting to the Management Committee on such issues. If a member/user wishes to report a hazard or potential hazard, they should contact the President/Property Convenor.

Equipment and site maintenance will be discussed at appropriate Committee Meetings. Any issues raised and appropriate action requiring to be undertaken will be listed in the Minutes.

Risk Assessments will include the following for consideration:

- **Are surroundings safe and free from obstacles?**
- **Are the courts and any other area fit and appropriate for activity?**
- **Is the equipment fit and sound for activity and suitable for age group ability?**
- **Are contact details available for parents/guardians/partners?**
- **Are players appropriately attired for the activity?**
- **Is a working telephone available with access to emergency numbers?**
- **Do volunteers, staff, coaches and members have access to information relating to Health & Safety?**
- **Are emergency procedures published and accessible?**

Review:

This document will be reviewed annually.
